

**Mahaffie Stagecoach Stop and Farm Historic Site
Commercial Videography
Fees and Regulations 2019**

- Mahaffie Historic Site may be rented for commercial videography. Availability is subject to the site's public schedule, education programs, pre-existing rentals and available staff.
- Filming is not allowed during public hours. Requests for time in the winter, early spring or "off season" during open hours may be permitted at staff discretion. Renters must arrange suitable times for filming with staff. Renters must adhere to the agreed upon schedule.
- Requests for filming should be made at least six weeks in advance.
- Filming is not allowed inside any of the animal pens and enclosures. No animals may be brought in from outside for filming.
- Mahaffie staff reserves the right to restrict locations for any filming. Ground or weather conditions may require last minute decisions by staff.
- Renters will not move any objects or artifacts on the grounds, in the outbuildings nor inside the farmhouse. A staff member may move objects if feasible, at the request of the renter. Many objects cannot be moved. The decision of staff on duty is final.
- Mahaffie does not rent or supply renters with period clothing, objects/artifacts or animals.
- At least one staff member will be on duty with the renter at all times. They are present to protect Mahaffie's interests and will not provide general labor for the renter.
- If Mahaffie staff is desired to appear in the film, additional fees may apply. At the minimum, \$50/per any staff person will apply.
- Any damage to the site grounds, building, animals or equipment will be charged to the renter.
- Unique or special requests can sometimes be accommodated but the final decision is at the discretion of the staff and may carry additional cost.
- Decisions for any other request not described, will be made at the discretion of site staff.

Fee structure:

- \$ 50/hr per staff member on duty. At least one staff member is required at all times, from the arrival of the renter to departure. Large projects, or filming in multiple locations, may require more than one staff person.
- \$ 250/hr for use of the site. A minimum of two hours is charged.
